

PLEASE JOIN US FOR A VIRTUAL
CONFERENCE ON

BUILDING HSI LEARNING RESILIENCE

IN THE FACE OF CRISIS

NOVEMBER 2-4, 2020

Join us for a 2-day virtual conference with breakout sessions to understand the effects of the pandemic and its continuing impact on Hispanic Serving Institution (HSI) student learning.

The goal of the conference is to **understand current practices** in order to create **resiliency** with an emphasis on exploring **new digital tools** to enhance distance learning.

Click [here](#) for more info or scan the QR code:

Conference supported by the National Science Foundation under Award 2041515.

Planned Topic Areas:

Mitigating the Digital Divide

Lab, Design Projects, and Internships from a Distance

Enhancing Mentoring using Distance Learning Tools

Digital Learning: What are HSI Faculty, Students, and Families of Students Saying?

Use of Data Science to Inform Nextgen Learning Software

Quo vadis? A forum to understand how the HSI community will plan to adapt digital tools discussed post-conference.
